

Thursday Nights Starting January 26th

From 5:00-7:30

## Nurturing Parenting Group: for Parents & Their Infants, Toddlers & Preschoolers

Join other families with young children to learn and grow together. Each night we will have free dinner for you and your children at 5:00 pm. After dinner, Ms. Patricia will look after the children working on some of the same topics covered in the parent group. Parents will meet with Facilitator, Terry Persson, then parents and children will come together for fun activities before going home each night.

The first group will meet on Thursday nights for 10 weeks and if parents want more time together we will work to make that happen.
